HOW OSINT WORK IN INTELLIGENCE

JIEYAB INTEL BASE

The screenshot shows a dark-themed GitBook interface. At the top left is a sidebar with a blue header containing the letter 'J' and the text 'Jieyab89-OSINT-Cheat-sheet-Wiki-Tips'. To the right of the sidebar is a search bar with a magnifying glass icon and the placeholder 'Search...', followed by a keyboard shortcut 'Ctrl K'. Below the search bar is a 'Copy' button with a clipboard icon.

The main content area has a dark background. At the top center, there is a small profile icon of a person wearing a hat and the text 'INTELLIGENCE BASE'. To the right of this text is a 'Copy' button with a clipboard icon and a dropdown arrow. Below this, the title 'Intelligence Base & Knowledge Base' is displayed in large, bold, white font.

On the left side of the main content area, there is a vertical navigation menu. The first section is 'OSINT RESOURCES' with a 'Welcome' link. The second section is 'INTELLIGENCE BASE' which contains several links: 'Home', 'Intelligence Base & Knowledge Base' (which is highlighted in blue), 'All About Doxing', 'All About OSINT Matters', 'Things in OSINT', 'All About SIGINT Signal Intelligence', 'Cell Investigations', 'Geospatial Intelligence', 'How to OSINT Collection the Data', and 'Powered by GitBook'.

The main content area features two sections:

- OSINT and Other Category (Intelligence Base)**
 - 1. OSINT**

Open Source Intelligence. In point one, OSINT search and Collection of information through open sources or the public internet. In contrast to intelligence obtained through secret methods or hidden, OSINT utilizes information available to general.
 - 2. MASINT**

Signature Measurement and Intelligence focuses on collection and analysis of data from various forms of temperature measurements and changes or climate. In contrast to intelligence which is based on visual reconnaissance or communications, MASINT relies on technology to detect and analyzing signals that cannot be detected directly by human senses.

At the bottom right of the main content area, there are three small icons: a sun-like symbol, a monitor, and a moon-like symbol.
